Setup

Load packages

```
```{r load-packages, message = FALSE}
library(ggplot2)
library(dplyr)
```
```

Load data

Make sure your data and R Markdown files are in the same directory. When loaded your data file will be called `brfss2013`. Delete this note when before you submit your work.

```
```{r load-data}
load("brfss2013.RData")
```
```
